Listed below is the current color information required for the exterior doors, trim and fences in Rivergate. Also, attached is a chart of the specific door and trim colors for each Rivergate Townhouse. .

These colors are registered with the Sherwin-Williams outlet store located at 7644 Richmond Hwy, Alexandria, VA 22306 ( tel. 703-768-7400). The store maintains a " Curb Appeal-Color Palette Chart" which the store employees use to access the Rivergate paint colors The ARC recommends that homeowners obtain their paint from the Richmond Hwy store, however, the paint may be obtained from other Sherwin-Williams stores.. If there is any doubt on paint color, obtain verification from the Richmond Highway store or the ARC.

**DOOR COLOR NAMES:**

Georgetown Green  
Hearthstone  
Chestnut Brown  
Redwood  
Black

**VENT COLOR NAME:**

Farm House Red

**TRIM COLORS:**

Harness Shop Tan  
Greystone  
Amber White

**FENCE AND LATTICE COLOR:**

Stain (not paint) - "Homestead Trim" or "Rivergate Fence Custom Mix"

Inside perimeter townhouses have patios with fences that do not require stain, as they turn naturally gray over time. Rivergate policy is that these fences should be allowed to age naturally. If stained for the purposes of preservation, the color should not be noticeably affected.
